

Location and Measurement Form

Data on this form is valid only if filled out and signed by a Texas Tree Trails official; a Texas A&M Forest Service Regional Forester, or another authorized Texas Tree Trails representative.

A copy of this form, the nomination form, the property owner agreement form, and the thank you letter are included in the volunteer packet provided to TTT Volunteers who measure trees. If the property owner is available at the time of the visit, the volunteer should present the thank you letter and the property owner agreement form in person – otherwise they should be emailed).

After the tree has been measured, all completed forms and the required photographs should be mailed to **Texas Tree Trails**, 16 Steel Road, Wylie, TX 75098 or emailed to info@texastreetrails.com, (unless otherwise instructed).

Tree ID #	Common Name	Genus	Species
